

BOND INFORMATION FOR CONTRACTOR LICENSE/REGISTRATION:

Note to Contractor: Please give this sheet to your bond company to ensure all information is correctly provided on the bond.

Note to Bonding Agency: Please follow the instructions below when completing the License/Registration Bond Form.

We have attached a *sample* bond form for your convenience. Please refer to this sample form for any questions you may have with regard to the information below:

- 1. Form:** Please use the bond form provided by the City if this is a new license/registration(s) or if the bond is being posted for the first time. In the case of a renewal for an existing license(s)/registration(s) and corresponding bond, we will accept an *original continuation certificate*.
- 2. Bond Number and Date:** Please enter the bond number and date on the lines provided at the top of the bond form.
- 3. Amount of Bond:** All Contractor License/Registration bonds are set at \$25,000.00. Please do not change this amount.
- 4. Name of Licensee.** Complete this space with the individual name of the *licensee/certificate* holder as it appears on their license/registration application.
- 5. Name of Company.** If the contractor is doing business as a company or assigning their license/registration to a business, *complete this section with the exact full business name as it appears on the contractor Renewal Form or OCILB License*. If the contractor is conducting business as herself/himself, not using a business or corporation name, leave this section blank. (Contractors do business under a variety of names, many use more than one name. The bond *must* contain the exact full business name the contractor will use in doing business with the City of Columbus. If the contractor is assigning their license/registration to business, the exact full business name must appear on the bond.)
- 6. Name of Bond Company:** The bond company name must appear here.
- 7. Expiration Date.** Expiration dates for City of Columbus License(s)/Registration(s) are based upon the first letter of the last name of the individual you designate as the responsible party for your license/registration. *Bond expiration date for a new license/registration shall be issued for a minimum of 7 months to coincide with the table below.* Please use the following table to calculate the appropriate expiration date:

Last Name Begins With:	Bond to Expire:
A thru F	December 31
G thru L	March 31
M thru R	June 30
S thru Z	September 30
- 8. Dating and Signing Bond:** This section must be completed by both the license/certificate holder and the Bonding Company. If the Bonding Company marks the box then an electronic/facsimile signature can be accepted on the bond. If the box is not marked then an original signature is required. The license/certificate holder signature must be original and should sign after receiving the completed bond back from the Bond Company.
- 9. Bond Seal:** If the Bonding Company marks the box as indicated above in #8 then an electronic/facsimile seal can be accepted on the bond. If the box is not marked then the original bond with an original imprinted or affixed seal is required. Any bond missing the seal or the check box will be considered invalid and returned to the license/certificate holder

When the bond form has been properly completed, please return it to the licensee/certificate holder. Do not return this form to our office. The licensee/certificate holder must complete additional paperwork and attach a check for the license/registration fee. We require all paperwork to be submitted as a single package.
